## Who this form is for

This form is for anyone who wishes to change the way in which units under their pension contract are invested – excluding any plans in drawdown. When we refer to ‘Standard Life’ we mean ‘Standard Life Assurance Limited’.

You can register or log in at [www.standardlife.co.uk](http://www.standardlife.co.uk) to change your investments online.

## Filling in this form

Before filling in this form you should refer to the ‘How to choose the right investment options for your pension’ booklet applicable to your plan for information on the investment funds currently available to you.

Parts 1 and 5 should always be completed. Parts 2 and/or 3 should be completed depending on your requirements.

If you are changing investment funds for a Small Self-Administered Scheme (SSAS), please refer to **Note A** below before completing this form.

**Please use BLOCK CAPITALS to fill in this form. Do not use correction fluid if you make a mistake. If you need to correct a mistake, please initial any changes you make.**

If you are receiving advice from a financial adviser, you should remember that the adviser is acting on your behalf not only in giving advice, but also regarding the completion of this form.

## Notes

- a. For SSAS, this form should be used for changes to your investment instructions within the Retirement Account Plan only. Fund switches for SSAS will relate to all members. This is because SSAS is a pooled fund and fund switches for an individual are prohibited. If money is to be transferred elsewhere (e.g. to Standard Life Investments), please contact the Standard Life SSAS unit who will advise on what action to take.  
Please note: Lifestyle Profiles are not available under a SSAS.
- b. All units in a Lifestyle Profile must be sold before an investment can be switched to a different Profile or to invest in any unitised fund other than a with profits fund. If you choose a Lifestyle Profile and you wish to combine this with another investment fund, you can only combine this with the with profits fund applicable to your plan. Please refer to the ‘How to choose the right investment options for your pension’ booklet applicable to your plan for details of the with profits fund available to you. It is not possible to select more than one Lifestyle Profile at a time. If you select a Lifestyle Profile, future payments will automatically buy units in the Profile at the percentage specified in Part 2.  
For more information about Lifestyle Profiles please read our ‘Lifestyle Profiles’ leaflets.
- c. For investments in a with profits fund, in order to maintain fairness and equity, we will adjust with profits unit prices in certain circumstances. For further details please refer to your policy provisions.

In exceptional circumstances, a request to change funds may be deferred for up to one month, for six months if the fund invests directly or indirectly in property and for longer if the fund invests in an external fund.
