Part 13 – Your choice of investments

You can choose to invest in Standard Life insured funds, mutual funds, whole of market funds, the Elevate General Investment Account (Elevate GIA)* and deposit/structured deposit accounts. You can also choose to direct us to invest with a discretionary investment manager who will manage the investments.

*Elevate Portfolio Services Limited trades as Elevate and is part of Standard Life Aberdeen group. Elevate Portfolio Services Limited (01128611) is registered in England at 14th Floor, 30 St Mary Axe, London EC3A 8BF and authorised and regulated by the Financial Conduct Authority.

Note that:

If you choose to only invest in Standard Life insured funds, you don't need to allocate part of your investment to the IB bank account. All charges and withdrawals will be applied by cancellation of units from those funds.

If part or all of your investment is to be invested in any type of investment other than insured funds, you **must** allocate part of your investment to the IB bank account.

Please note that we are not responsible for and nor do we guarantee the suitability or tax/regulatory/legal treatment of the bond, and it is your responsibility to ensure it remains suitable for your purposes. We are not authorised to give you tax or legal advice and so recommend you take your own independent advice.

All investment choices are made at your own risk, so it's important to seek the appropriate financial advice.

Standard Life International is not responsible for the performance or solvency of the providers of the investments available through the International Bond.

Please note that some types of investment are not covered by the Financial Services Compensation Scheme (FSCS). Please refer to your Key Features Document/Key Information Document for more information.

Please give the percentages that you wish to invest in each investment option. Use whole numbers only and check that the total adds up to 100%. Remember to include any percentage invested in the IB bank account in the total percentage to cover charges and withdrawals.

If the amounts do not add up to 100% ALL the money will be invested in the IB bank account until you give us clear investment instructions for the whole amount.

Part 14 – International Bond bank account (IB bank account)

You must place part of your investment in the IB bank account to cover charges, withdrawals and phased investments. This does not apply for policies where 100% of the investment is being made into Insured Funds.

It is important that you put enough money in the IB bank account to pay any ongoing or regular adviser charges, as well as any charges and withdrawals for investments outside of Insured Funds.

If you do not complete this then we will place enough of your investment in the IB bank account to cover 12 months of charges and withdrawals.

Please photocopy this page if choosing more funds.

Under European Union laws, we are required to produce a Supplementary Information Document (SID) for all insured funds. It is important you read the SID before selecting your funds.

A European Union directive requires fund managers to produce a Key Investor Information Document (KIID) for most mutual funds. This document sets out key information about the fund including the objectives and risks of the fund, what it invests in and its charges.

It is important that you read the KIID before selecting the fund.

Where there isn't a SID/KIID available, e.g. for certain whole of market funds, you should ensure you read the relevant investor information document.

You can get copies of these documents from your financial adviser.

Part 15b – Elevate General Investment Account

Only complete this section if you wish to invest in the Elevate GIA. By completing this section you are authorising your adviser to buy and sell investments via the Elevate platform. Please note that your adviser must agree to the terms set out in section 28a by adding their signature.

Important, to be read by all parties named on this form.

Part 28c – Declaration for policyholders resident outside Ireland

Policyholders resident outside Ireland are required by the Irish Revenue Commissioners to make the following declaration, which is in a format authorised by them, in order to receive payments without deduction of Irish tax.

I/We declare that:

1. I/We have read the explanation of the terms detailed in the notes entitled 'Residence Definition' below.
2. I am/We are the policyholder in respect of which this declaration is being made;
3. My/our principal home is in the UK, Channel Islands or the Isle of Man and that I am/we are habitually resident in the UK, Channel Islands or the Isle of Man.
4. I am/We are not resident or ordinarily resident in Ireland; and
5. I/We hereby undertake to inform Standard Life International of any change in my/our country of residence during the life of the policy.

Residence definition – Individual

An individual will be regarded as being resident in Ireland for a tax year if she/he:

1. Spends 183 days or more in Ireland in that tax year; or
2. Has a combined presence of 280 days in Ireland, taking into account the number of days spent in Ireland in that tax year together with the number of days spent in Ireland in the preceding year.

Presence in a tax year by an individual of not more than 30 days in Ireland will not be reckoned for the purpose of applying the two-year test. Up to 31 December 2008, presence in Ireland for a day means the personal presence of an individual at the end of the day (midnight). **From 1 January 2009, presence in Ireland for a day means the personal presence of an individual at any time during the day.**

Ordinary residence definition– Individual

The term "ordinary residence" as distinct from "residence" relates to a person's normal pattern of life and denotes residence in a place with some degree of continuity. An individual who has been resident in Ireland for three consecutive tax years becomes ordinarily resident with effect from the commencement of the fourth tax year.

An individual who has been ordinarily resident in Ireland ceases to be ordinarily resident at the end of the third consecutive tax year in which she/he is not resident. Thus, an individual who is resident and ordinarily resident in Ireland in 2004 and departs from Ireland in that year will remain ordinarily resident up to the end of the tax year in 2007.

This declaration is authorised by the Irish Revenue Commissioners. It may be subject to inspection by the Revenue. It is an offence under Irish law to make a false declaration.

This declaration must be signed by Policyholders who are neither resident nor ordinarily resident in Ireland.

It may also be signed by a person who holds power of attorney from the policyholder. A copy of the power of attorney should be furnished with this declaration.

Before signing your application please review against the avoiding delays checklist on page 2.

If there are more than three signatories please photocopy this page.
