To comply with the Money Laundering Regulations, we are required to verify the identity of our customers. We do this by carrying out an online identity check with a reference agency. This is not a credit check and will not affect your credit rating. The agency will verify your identity against public records and confirm whether you have a credit history (but will not disclose any information to us about your actual borrowings). The agency will add a note to your credit file to show that an identity check was requested by Standard Life. If successful, a copy of the results will be held by Standard Life to evidence that your identity has been verified. We regret that we cannot offer an alternative unless the online check does not confirm your identity, in which case we will carry out a manual check.

Part 5b - Investment funds

Are you using the Phased Investment option?

Yes

No

If you're using the Phased Investment option:

If you select this option, we will invest 100% of your investment in the Standard Life Money Market Life Fund (fund code GR). Please state that you would like 100% of your investment to be invested in the Standard Life Money Market Life Fund in the table below.

You must also complete Part 5c, Setting up the Phased Investment option.

For investments (not using the Phased Investment option):

Please give the percentages that you want to invest in each fund below. Use whole numbers only and check that the total adds to 100%. Please use a separate sheet if necessary.

Your financial adviser or your Standard Life representative will be able to provide you with 'Investment Bonds fund availability' (GEN11E) which lists the funds you can invest in.

Fund code	Fund name	%
JJDF	Standard Life MyFolio Managed III Life Fund EXAMPLE	
Please ensure that your percentage figures add up to 100%		100%

For additional investments to existing bonds, please note that the Phased Investment option will apply to both the existing investment and the additional investment.

Please photocopy this page if you are choosing more than 15 funds.

Please see the appropriate Key Features Document for details of the number of funds you can invest in.

Please note that if you took your bond out before 13 September 2004, that you can only invest in 12 funds at any one time and up to a maximum of 20 in total, during the life of the bond. This only applies to Capital Investment Bonds and Distribution Bonds.

Part 5c – Setting up the Phased Investment option

If you are using the Phased Investment option you must choose to invest 100% of the investment in the Standard Life Money Market Life Fund (fund code GR). You can choose whether to use either:

- a 100% switch, which means that 100% of the money will be switched from the Standard Life Money Market Life Fund and invested in phases (every 3 months) over one year in the chosen fund(s); OR
- a partial switch, which means that only part of the money will be switched from the Standard Life Money Market Life Fund and invested in phases (every 3 months) over one year in the chosen fund(s), leaving the balance of the money invested in the Standard Life Money Market Life Fund.

100% switch

Do you want 100% of your investment to be switched out of the Standard Life Money Market Life Fund by the end of the 12 months? Yes No

If you choose the 100% switch, we will switch out of approximately one quarter of the total investment in the Standard Life Money Market Life Fund. For specific details of the switch process please refer to the appropriate Key Features Document.

Partial switch

Please select the percentage you would like to switch out of the Standard Life Money Market Life Fund every three months.  % maximum 25%

If you choose the partial switch, we will switch the percentage of money you choose out of the Standard Life Money Market Life Fund into your chosen fund(s) every three months. For example, if your chosen percentage is 20%, we will switch 20% of your fund value in month 3 and 20% in each of months 6, 9 and 12 from the Standard Life Money Market Life Fund into your chosen fund(s).

To be completed for all switches (100% and partial switches)

Please indicate which funds you want your money to be switched into. For each switch, please indicate the percentage you want invested in each fund below. The percentage selected for each fund must add up to 100%. Ask your adviser for 'Investment Bonds fund availability' (GEN11E) which lists the funds you can invest in.

Fund code	Fund name	%
JJDF	Standard Life MyFolio Managed III Life Fund EXAMPLE	
Please ensure that your percentage figures add up to 100%		100%

The percentage you choose to switch will be based on the value of your investment at the time of the switch and not on your original investment amount.

To cancel this option you must phone us on 0800 634 7471, at least five days before the next switch is due to take place. Calls must be received before 5pm. Calls may be monitored and/or recorded to protect both you and us and help with our training. Call charges will vary.

Further information on the Phased Investment option can be found in the Key Features Document.

Please photocopy this page if you are choosing more than 15 funds.

Any illustration you receive in relation to the investment bond may be higher or lower as a result of any switches you request in this application form.

Part 7 – ‘Income distributions’ payment details *Only available on the Distribution Fund*

Complete if you are investing in the Distribution Fund.

Please complete option a, b or c below. The income distribution specified applies to this investment only.

a. Please reinvest the income distribution in the Distribution Fund

b. Please pay the income distributions of: Full declared distribution* (announced in Feb and Aug)

c. % each year or £ each year

The income distributions should be paid:

Every month Every three months (Feb, May, Aug & Nov) Every six months (Feb & Aug) according to your instructions above

If you would like to select one of the following options please cross the appropriate box.
If you make an additional investment to the bond, please note that you will need to submit new instructions for income distributions. The distribution dates are 16 February and 16 August.

I would like my first payment to be:

Paid on the first 16th of the month following my investment month
(If you choose to take income distributions before the declared distribution i.e. Feb and Aug, we will cancel units to pay for the required level of income distributions)

Deferred to the second distribution date after my initial investment

Deferred to another date – please specify a month within the year (DD/MM/YYYY)

Please note that you can't defer income distributions on the Discounted Gift Plan.

***Discounted Gift Plan only**
If the income distribution is higher than the selected retained payment shown in Part E of the Trust, the balance will be reinvested.

If you choose option b we will not limit the distribution paid even if this makes the total distributions and regular withdrawals exceed the maximum allowed for the year. The maximum allowed for the Tailored Investment Bond and Capital Investment Bond (with level option) is 10% a year of the total investment paid, less any withdrawals. The maximum for the Capital Investment Bond (stepped option) is 7.5% a year of the total investment paid less any withdrawals.

Any reference to ‘income distribution’ relates to the regular withdrawals from the Distribution Fund.

Please remember that, if the fund does not generate sufficient income, units will be cancelled to meet the shortfall. This may cause the capital value of your investment to fall.

Payments will reach bank/ building society accounts 3-4 working days after the 16th of the month.
