### Part 5c – Setting up the Phased Investment option

If you are using the Phased Investment option you must choose to invest 100% of the investment in the Standard Life Money Market Life Fund (fund code GR). You can choose whether to use either:

- a 100% switch, which means that 100% of the money will be switched from the Standard Life Money Market Life Fund and invested in phases (every 3 months) over one year in the chosen fund(s); OR
- a partial switch, which means that only part of the money will be switched from the Standard Life Money Market Life Fund and invested in phases (every 3 months) over one year in the chosen fund(s), leaving the balance of the money invested in the Standard Life Money Market Life Fund.

#### 100% switch

Do you want 100% of your investment to be switched out of the Standard Life Money Market Life Fund by the end of the 12 months? Yes  No

If you choose the 100% switch, we will switch out of approximately one quarter of the total investment in the Standard Life Money Market Life Fund. For specific details of the switch process please refer to the appropriate Key Features Document.

#### Partial switch

Please select the percentage you would like to switch out of the Standard Life Money Market Life Fund every three months.  % maximum 25%

If you choose the partial switch, we will switch the percentage of money you choose out of the Standard Life Money Market Life Fund into your chosen fund(s) every three months. For example, if your chosen percentage is 20%, we will switch 20% of your fund value in month 3 and 20% in each of months 6, 9 and 12 from the Standard Life Money Market Life Fund into your chosen fund(s).

#### To be completed for all switches (100% and partial switches)

Please indicate which funds you want your money to be switched into. For each switch, please indicate the percentage you want invested in each fund below. The percentage selected for each fund must add up to 100%. Ask your adviser for 'Investment Bonds fund availability' (GEN11E) which lists the funds you can invest in.

Fund code	Fund name	%
JJDF	Standard Life MyFolio Managed III Life Fund <b>EXAMPLE</b>	
<b>Please ensure that your percentage figures add up to 100%</b>		<b>100%</b>

The percentage you choose to switch will be based on the value of your investment at the time of the switch and not on your original investment amount.

To cancel this option you must phone us on 0800 634 7471, at least five days before the next switch is due to take place. Calls must be received before 5pm. Calls may be monitored and/or recorded to protect both you and us and help with our training. Call charges will vary.

Further information on the Phased Investment option can be found in the Key Features Document.
