### Part 2a – Eligibility

**To be eligible for this plan, you must answer ‘Yes’ to one of the following questions.**

Are you resident in the UK for tax purposes? [ ] Yes [ ] No

Are you a Crown Servant performing duties abroad, or the husband, wife or civil partner of such a Crown Servant? [ ] Yes [ ] No

**Go to Part 2b if you have answered ‘Yes’ to either of the above questions.**

2. Have you opted out of an occupational pension scheme or are you planning to opt out of an occupational pension scheme in favour of making payments to this plan? [ ] Yes [ ] No

3. Have you chosen not to join an occupational pension scheme which you are currently eligible to join, or which you will be able to join at the end of a specified waiting period, in favour of making payments to this plan? [ ] Yes [ ] No

An **occupational pension scheme** is an employer’s pension scheme which promises to provide you with a pension and/or a lump sum on your retirement. It does not include:

(i) any personal pension scheme, or group personal pension scheme, even if your employer pays into it;
(ii) any stakeholder pension scheme, or group stakeholder pension scheme, even if your employer pays into it;
(iii) any scheme which pays benefits only on your death; or
(iv) any scheme which is not registered with HM Revenue & Customs.

The scheme is not necessarily run directly by your employer. It may be a scheme for employees within a particular trade or industry run by a representative body and to which your employer pays.

### Part 3 – Details of transfer payments (if any – if none, go straight to Part 4)

You only need to complete this part if you wish to transfer benefits from another pension scheme or policy.

- Standard Life are unable to accept transfers from schemes which were originally set up as Unfunded Unapproved Retirement Benefit Schemes (UURBS). Please call us if this affects you.
3 and 10. Some workplace pensions are known as ‘occupational’, ‘works’, ‘company’ or ‘work-based’ pensions.

4. A registered pension scheme is a scheme registered under Chapter 2 of Part 4 of the Finance Act 2004. If you are unsure whether your existing scheme is registered, you can check this with your pension provider.

5. A block transfer is an option where at least two members transfer their benefits from one scheme to another. Not all members must transfer. Both the ceding scheme and new scheme must be the same for both members. This protects the members’ rights to a tax-free lump sum over 25% or an early retirement age. This protection applies to one block transfer only.

6. Transferring ‘in-specie’ means transferring the ownership of the asset instead of its cash value. If you want to transfer assets ‘in-specie’, please give us a list of the assets you want to transfer. If we can’t accept them, we will let your current provider and your financial adviser know.

Part 4 – Payments – complete if you or your employer are making regular or single payments (you should not complete Part 4 if you are a beneficiary transferring a drawdown fund.)

- The minimum payment you can make to set up the plan is £300 a month, or £3,000 a year, or a single payment of £10,000. (All figures shown are gross.)
- The minimum payment you can make when your plan value is more than £50,000 is £100 a month, or £1,000 a year.
- There are limits to how much you can pay into your plan each year set by HM Revenue & Customs. See ‘Information about tax relief, limits and your pension’ (GEN658) for more information.
- Regular payments must be made by direct debit.
- If you are self-employed, any payments made from the partnership account should be reimbursed, as applicable.
- You can stop, restart, increase, decrease or suspend your payment at any time. You will not be charged for this.
- Please complete form SLSIP33 if any payments are to be made by a third party, other than your employer.
- If you ‘recycle’ a tax-free lump sum you may face a tax charge. Leaflet GEN449, ‘Recycling of lump sums’ explains what recycling means and what the tax consequences are.
- If you have enhanced protection, or any version of fixed protection, making payments will invalidate that protection.

The amount we take from your bank account for your payments will be less than the gross amount, as we automatically add basic-rate tax relief to your payments.

Salary deduction is where your net payments are deducted from your salary and passed to Standard Life by your employer.

Salary exchange is where you give up part of your normal salary in return for an employer payment to your pension plan.

1. The first payment date must be a date after you have signed the application form.

2. Contribution controls legislation will apply to all payments made by or via your employer. This means that Standard Life must make a report to the Pensions Regulator if payments are not made. Any electronic payments paid in respect of one month must be received by the 22nd of the following month; all non-electronic payments must be received by the 19th of the following month.

The legal requirements on employers who are subject to contribution controls legislation mean that Direct Debit can only be used as a payment method if we receive payments at the same frequency as you are paid.
Part 4b – Automatic yearly increases for regular payments

Complete this part if you want your regular payments (including existing ones) to increase automatically each year. If you don’t want automatic increases, go straight to Part 4c.

- If you or your employer chooses to have automatic yearly increases, then these increases will apply to ALL regular payments.

### Part 5 – How you want to pay your adviser

Please tell us what you want to pay from your plan to your financial adviser. We will use the information you provide in this section to pay your financial adviser. By signing the declaration in Part 8 of this form, you are:

- agreeing to the payment of the adviser charges documented below, and
- authorising Standard Life to accept all future instructions from your adviser for payment of adviser charges that you have agreed to pay them from your plan.

**You do not need to complete the information in Parts 5a, 5b or 5c if:**
- this application is being made via Standard Life Direct, or
- your financial adviser is billing you directly for their services, or
- your financial adviser is not charging you for their services.

If any of these three options apply, cross this box and then go to Part 6.

### Important note – Drawdown and/or your tax-free lump sum

If you have chosen drawdown, we will calculate Initial Adviser Charges you have chosen to pay your financial adviser on the value of the benefits you are taking before the tax-free lump sum is paid. This will not reduce the amount of tax-free lump sum you can take. If you are taking your benefits in stages then you should confirm the monetary amount of charges you have chosen to pay.

### Part 5a – Adviser charge for regular payments

Complete this section if you will be making regular payments to your plan and have agreed a charge for advice with your adviser (either as one payment or spread over a period of time).

**Spread payment of Regular Initial Adviser Charge** (please complete one of the following options)

If you do not complete Part 6 or if your instructions are unclear, we will pay the transfer, single or regular payments described in this form into the SIPP Bank Account.

By ‘invested in the same proportions as your current holdings’ we mean the proportions of each SLIP fund as at the date we receive this form. If you are setting up regular payments for the first time, these instructions will apply to the ongoing payments.
Part 6c – SIPP Bank Account – also used to pay charges – Level 1

How much do you want to invest in the SIPP Bank Account?

It is important that you have enough money in the SIPP Bank Account to pay any advice charges you want paid from it, as well as any charges for investments outside of the SLIP funds.

We will hold back an amount in the SIPP Bank Account instead of investing it in accordance with Parts 6d to 6h. The amount that we will hold back is the total of:

- The adviser charges described in Part 5 that are due to be paid in the next 12 months
- The ‘yearly administration charge’ that’s due in the next 12 months
- If you choose level 3 investments, the ‘initial administration charge’
- If you complete Part 6f, the ‘investment manager charge’

Plus, if you complete Part 7:

- The tax-free lump sum selected in Part 7a or 7b
- 12 months of the income selected in Part 7b
- If you choose level 3 investments, the ‘pension fund withdrawal set up charge’ and the ‘yearly charge for pension fund withdrawal’.

Investments other than the Standard Life Investment Policy (SLIP) and SIPP Bank Account

Please note: Level 2 and Level 3 investments usually incur additional charges.

- When you choose to invest in Level 2 or Level 3 investments, the length of time it takes to complete the purchase of your chosen investment will vary depending upon the type of asset and the organisation providing it. We will do our part of any such transaction within a reasonable timescale but we do not control the amount of time it might take a 3rd party to complete the purchase.
- If you are investing any money in Level 2 or Level 3 investments, remember to set aside enough money in the SIPP Bank Account to pay for charges.
Part 6d – SIPPZone mutual funds – Level 2

- Please complete the question and table below to tell us how you wish to invest your payments.
- If you want a different investment mix for each different type of payment you will need to complete your instructions on a separate sheet of paper and attach it to this form.
- A European Union directive requires fund managers to produce a Key Investor Information Document (KIID) for most funds. This document sets out key information about the fund including the objectives and risks of the fund, what it invests in and its charges.
- It is important that you read the KIID before selecting the fund.

Cross the box if you want the income from any income funds to be paid into the SIPP Bank Account.

If you don’t cross the box to the right, any income will be reinvested.

Part 7 – Taking your benefits

Complete Part 7 if you want to take any benefits immediately. Otherwise go to Part 8.

- You should speak to your financial adviser to see if you are eligible to take your benefits before completing this part.
- The actual tax-free lump sum payment will depend on the value of the plan at the date the lump sum is paid.
- Income will start after all drawdown moves have taken place. For example, if seven transfers are received, we will pay out seven tax-free lump sums and then start your income after we process the final transfer.
- If you wish your income to be paid to an overseas bank account, or if this form cannot capture your requirements then please give us separate signed written instructions.

If you want:
- A tax-free lump sum and no income Complete Part 7a
- A tax-free lump sum and an income Complete Part 7b
- Income following a drawdown to drawdown transfer Complete Part 7b

Part 7a – Tax-free lump sum only

How much of your full entitlement to tax-free lump sum do you want?

- Plan maximum
- Specific amount

If you take a tax-free lump sum without buying an annuity, part of your plan must be designated for income drawdown. The amount that’s designated is normally three times the value of the tax-free lump sum.

Part 7b – Tax-free lump sum and income

1. You have three main options (a to c below). Option d is for drawdown to drawdown transfers only:

   a. **Full drawdown** – taking your full entitlement to tax-free lump sum now

      a.1 How much income do you want before tax? £  

   b. **Phased drawdown** – taking your benefits in stages

      b.1 How much tax-free lump sum do you want now? £  

      b.2 How much income do you want before tax? £  

   c. **Tailored drawdown** – taking a regular tax-free lump sum with or without a regular taxable income.

      c.1 How much of a tax-free lump sum do you want each year? £  

      c.2 Do you also want a regular taxable income? Yes  No

         If ‘yes’, how much taxable income do you want before tax each year? £  

      c.3 In addition to the regular tax-free lump sum, do you want any additional tax-free lump sum immediately? Yes  No

         £  

The payment frequency you choose in Section 2 will apply to both the regular tax-free lump sum and taxable income. If you have asked for both, and you don’t already have a drawdown pot, then your first income will consist of tax-free income only. This will create a reserve in the drawdown pot before we start paying out your taxable income.

If you have Capped drawdown and you want a regular payment which is fully or partly made up of tax-free lump sum, please give us a call.

Part 7b

If you have Capped drawdown, please speak to your financial adviser to find out the income limits that apply to you.

Please include parts 2 and 3 of a P45 or a tax coding letter from HM Revenue & Customs. If this is not received, we will apply emergency tax to the income payments.

Tailored drawdown is not suitable if you are entitled to a protected tax-free lump sum.

Tailored drawdown is not available if you have any Level 3 investments in your plan.

Once your tax free lump sum has run out, you will need to give us a new income instruction.

For more information on how we operate Tailored drawdown please see (SLSIP17).

You will have a money purchase annual allowance of £4,000 if you take any income from your plan, unless you have capped drawdown.
Part 7d, Question 1
Your answer to this question decides which investments are to move from the ‘pre’ to the ‘post’ part of your plan.

---

Part 7d – Which investments will you use to provide your benefits?

If you are taking all your benefits now (full drawdown), you can miss question 2.

1. Which investments do you want your tax-free lump sum paid from?
   - Default
   - Other

2. How do you want each new amount that’s designated for income drawdown to be invested?
   - Default
   - Other

3. Which investments do you want us to pay your income from?
   - Default
   - Other

If you selected ‘Other’ in 1, 2 or 3 above, please give details in Part 7e on page 20. Otherwise, go straight to Part 7f (Account details).
Part 7e – Specific funds to provide your benefits

If you chose 'Other' in:

- If an error is made in the payment of your Direct Debit, by Standard Life or your bank or building society, you are entitled to a full and immediate refund of the amount paid from your bank or building society.
  - If you receive a refund you are not entitled to, you must pay it back when Standard Life asks you to.
- You can cancel a Direct Debit at any time by simply contacting your bank or building society. Written confirmation may be required. Please also notify us.
