If you want:

A tax-free lump sum and no income

A tax-free lump sum and an income

Complete Part 3b**Part 3a – Tax-free lump sum only**

How much of your full entitlement to tax-free lump sum do you want?

Specific amount

£

If you take a tax-free lump sum without buying an annuity, part of your plan must be designated for income drawdown. The amount that's designated is normally three times the value of the tax-free lump sum.

Part 3b – Tax-free lump sum and income**1. You have three main options (a to c below). Option d is for drawdown to drawdown transfers only:****a. Full drawdown** – taking your full entitlement to tax-free lump sum nowa.1 How much income do you want **before** tax? £ a year**b. Phased drawdown** – taking your benefits in stagesb.1 How much tax-free lump sum do you want now? £ b.2 How much income do you want **before** tax? £ a year**c. Tailored drawdown** – taking a regular tax-free lump sum with or without a regular taxable income.c.1 How much of a tax-free lump sum do you want each year? £ a yearc.2 Do you also want a regular taxable income? Yes No

If 'yes', how much taxable income do you want before tax each year?

£ c.3 In addition to the regular tax-free lump sum, do you want any additional tax-free lump sum immediately? Yes No £

The payment frequency you choose on the next page will usually apply to both the regular tax-free lump sum and the taxable income. If you have asked for both, please note that the first regular payment will consist of tax-free lump sum only and will be four times the normal regular tax-free lump sum payment. This is to create a reserve in the drawdown pot before we start paying out your taxable income.

If you have Capped drawdown and you want a regular payment which is fully or partly made up of tax-free lump sum, please give us a call.

You may not be able to get both the specific tax-free lump sum and the specific income you request. We will contact your financial adviser if this is the case.

Pension fund withdrawal charges will apply if your plan has any level 3 investments (also known as 'outer ring' investments).

Part 3b

If you have Capped drawdown, please speak to your financial adviser to find out the income limits that apply to you.

Please include parts 3 and 4 of a P45 or a tax coding letter from HM Revenue & Customs.

If this is not received, we will apply emergency tax to the income payments.

Tailored drawdown is not suitable if you are entitled to a protected tax-free lump sum.

Tailored drawdown is not available if you have any Level 3 investments in your plan

Once your tax free lump sum has run out, you will need to give us a new income instruction.

For more information on how we operate Tailored drawdown please see (SLSIP17).

You will have a money purchase annual allowance of £4,000 if you take any income from your plan, unless you have capped drawdown.

Part 3b – Tax-free lump sum and income (continued)

d. Drawdown to drawdown transfer – income only

For more information on the defaults see the terms & conditions booklet (SLSIP62)

Your investment options when taking benefits

In Part 3d, you can choose:

- 1. Which investments you want your tax-free lump sum paid from and to designate for income drawdown (question 1)
- 2. How you want each new amount that's designated for income drawdown to be invested (question 2)
- 3. Which investments you want your income paid from (question 3)

Defaults

If you don't give us full instructions, the following defaults apply:

- We'll move a proportion of every investment from the 'pre' to the 'post' part of your plan.
- We'll provide your tax-free lump sum by cancelling units proportionately from every SLIP fund that's moving from 'pre' to 'post' (if there is not enough in the SLIP funds we'll pay the difference from the SIPP Bank Account).
- We'll provide your income by cancelling units from every SLIP fund held in the 'post' part of your plan and by taking money from the SIPP Bank Account (in proportion to your investment in those SLIP funds and the other assets held in the 'post' part of your plan).

Part 3d – Which investments will you use to provide your benefits?

If you are taking all your benefits now (full drawdown), you can miss question 2.

- 1. Which investments do you want your tax-free lump sum paid from? (These are also the funds we will designate for income drawdown.) Default Other
- 2. How do you want each new amount that’s designated for income drawdown to be invested? Default Other
- 3. Which investments do you want us to pay your income from? Default Other

IMPORTANT If you selected ‘Other’ in 1, 2 or 3 above, please give details in Part 3f at the end of this page. Otherwise, go straight to Part 3g (Account details).

Question 1

Your answer to this question decides which investments are to move from the ‘pre’ to the ‘post’ part of your plan.

Part 3e – SIPP Bank Account – used to pay income drawdown and charges

You must complete Part 3e unless:

- Your plan is fully invested in SLIP funds or
- You want all of your income to be paid by cancelling units from your SLIP funds

If your income is not going to be paid from the SLIP funds, it is important that you have enough money in the SIPP Bank Account to cover 12 months of income and charges, including any adviser charges.

If you do not give us instructions in the box below, we will sell investments on this move to Drawdown to meet this need - in accordance with the defaults in the terms and conditions booklet (SLSIP62).

Give details (in the box below) of the investments (excluding SLIP funds) that you want us to sell into the SIPP Bank Account to provide your income and pay your charges.

SIPP Bank Account

There is no additional charge for any money invested in this account. The rate of interest is normally 1% below the Bank of England base rate. You can check the rate by contacting us or your adviser.

NOTE: You need to keep sufficient funds in the SIPP Bank Account to meet expected payments. It is important that you (and your financial adviser) arrange to top up the money in the SIPP Bank Account by selling investments if this is going to be necessary.

Part 3f – Specific funds to provide your benefits

If you chose ‘Other’ in:

- 1 in Part 3d, complete tables 1 and 2 below, and
- 2 in Part 3d, complete table 3 below, and
- 3 in Part 3d, complete table 4 below.

1. Choose the investments you want to move from ‘pre’ to ‘post’ in the table below:

Fund code	SLIP fund name	Amount (as a %)
	% of additional investments	%
	Total (must add up to 100%)	%

2. From funds moving from 'Pre', which of these investments do you want to pay the tax free lump sum from?

Fund code	SLIP fund name	Amount (as a %)
	% of additional investments	%
	Total (must add up to 100%)	%

The SLIP funds you name in table 2 are the funds from which we'll provide your tax-free lump sum. If their total value in the 'pre' part of the plan is less than four times the tax-free lump sum, we'll also move a proportion of the additional investments.

3. Choose how you want to invest each new amount that's designated for income drawdown in the table below:

Fund code	SLIP fund name	Amount (as a %)
	% of additional investments	%
	Total (must add up to 100%)	%

It is not possible to invest in more than one Investment Pathway Fund at a time.

4. Choose the investments you want us to pay your income from in the table below:

Fund code	SLIP fund name	Amount (as a %)
	Insert the % of SIPP Bank Account (If any of your income is to be paid from the SIPP Bank Account you must complete Part 2e)	%
	Total (must add up to 100%)	%

! You need to ensure that you have enough money in the SLIP funds or the SIPP Bank Account to pay your income. You may need to sell some of your additional investments to provide the necessary amount.

Part 3g – Account details

To enable us to pay any benefits, please provide your bank/building society details below.

Name of bank/
building society

Bank or Building Society Account No. Branch Sort Code

Name of account/
roll number to be credited

Your building society’s own bank details: With some building society accounts we are required to credit the society’s own bank account and they then credit your personal account. Please check with your building society to see if this is necessary. If it is, then please ask them to supply the following information:

Building society name

Account number/
roll number Branch sort code

Part 3h – Recycling of lump sums

1. Because of the lump sum in Part 3a or 3b, will the future payments made by you, your employer and any third party on your behalf, to this plan or to any other pension plan, be significantly greater than they otherwise would be? Yes No

2. Were the payments already made by you, your employer and any third party on your behalf, to this plan or to any other pension plan, significantly greater than they otherwise would have been if you had not been expecting to receive the lump sum in Part 3a or 3b? Yes No

If you are recycling you must tell us within 30 days.

To be ‘significantly greater’ the total increase in the payments must be more than 30% of the lump sum.

If you answer ‘Yes’ to either question, please read leaflet GEN449 – ‘Recycling of lump sums’ which explains what recycling means and what the tax consequences are.

Part 3i – Lifetime Allowance checks

1. Have you ever taken any tax-free lump sum or pension from another pension scheme or policy? Yes No

2. Are you about to take retirement benefits from another pension scheme or policy? Yes No

3. If you have answered ‘Yes’ to either question 1 or 2 have you exceeded your Lifetime Allowance? Yes No

4. If you have answered no to question 3, will the retirement benefits in this form exceed the Lifetime Allowance? Yes No

If you answer ‘Yes’ to any of these questions, we may contact you for more details.

Please refer to ‘Information about tax relief, limits and your pension’ (GEN658) for more information on the Lifetime Allowance.
