**Adviser's signature required.**

**Part 3d – Which investments will you use to provide your benefits?**

**If you are taking all your benefits now (full drawdown), you can miss question 2.**

- 1. Which investments do you want your tax-free lump sum paid from? (These are also the funds we will designate for income drawdown.) Default  Other
- 2. How do you want each new amount that’s designated for income drawdown to be invested? Default  Other
- 3. Which investments do you want us to pay your income from? Default  Other

**IMPORTANT** If you selected ‘Other’ in 1, 2 or 3 above, please give details in Part 3f at the end of this page. Otherwise, go straight to Part 3g (Account details).

**Question 1**

Your answer to this question decides which investments are to move from the ‘pre’ to the ‘post’ part of your plan.

**Part 3e – SIPP Bank Account – used to pay income drawdown and charges**

You must complete Part 3e unless:

- Your plan is fully invested in SLIP funds or
- You want all of your income to be paid by cancelling units from your SLIP funds

If your income is not going to be paid from the SLIP funds, it is important that you have enough money in the SIPP Bank Account to cover 12 months of income and charges, including any adviser charges.

If you do not give us instructions in the box below, we will sell investments on this move to Drawdown to meet this need - in accordance with the defaults in the terms and conditions booklet (SLSIP62).

Give details (in the box below) of the investments (excluding SLIP funds) that you want us to sell into the SIPP Bank Account to provide your income and pay your charges.

**SIPP Bank Account**

There is no additional charge for any money invested in this account. You can check the rate by contacting us or your adviser.

**NOTE:** You need to keep sufficient funds in the SIPP Bank Account to meet expected payments. It is important that you (and your financial adviser) arrange to top up the money in the SIPP Bank Account by selling investments if this is going to be necessary.

**Part 3f – Specific funds to provide your benefits**

If you chose ‘Other’ in:

- 1 in Part 3d, complete tables 1 and 2 below, and
- 2 in Part 3d, complete table 3 below, and
- 3 in Part 3d, complete table 4 below.

**1. Choose the investments you want to move from ‘pre’ to ‘post’ in the table below:**

Fund code	SLIP fund name	Amount (as a %)
	% of additional investments	%
	Total (must add up to 100%)	%

**2. From funds moving from 'Pre', which of these investments do you want to pay the tax free lump sum from?**

Fund code	SLIP fund name	Amount (as a %)
	% of additional investments	%
	Total (must add up to 100%)	%

The SLIP funds you name in table 2 are the funds from which we'll provide your tax-free lump sum. If their total value in the 'pre' part of the plan is less than four times the tax-free lump sum, we'll also move a proportion of the additional investments.

**3. Choose how you want to invest each new amount that's designated for income drawdown in the table below:**

Fund code	SLIP fund name	Amount (as a %)
	% of additional investments	%
	Total (must add up to 100%)	%

It is not possible to invest in more than one Investment Pathway Fund at a time.

**4. Choose the investments you want us to pay your income from in the table below:**

Fund code	SLIP fund name	Amount (as a %)
	Insert the % of SIPP Bank Account (If any of your income is to be paid from the SIPP Bank Account you must complete Part 2e)	%
	Total (must add up to 100%)	%

**!** You need to ensure that you have enough money in the SLIP funds or the SIPP Bank Account to pay your income. You may need to sell some of your additional investments to provide the necessary amount.

**Part 3g – Account details**

To enable us to pay any benefits, please provide your bank/building society details below.

Name of bank/  
building society

Bank or Building Society Account No.  Branch Sort Code

Name of account/  
roll number to be credited

Your building society’s own bank details: With some building society accounts we are required to credit the society’s own bank account and they then credit your personal account. Please check with your building society to see if this is necessary. If it is, then please ask them to supply the following information:

Building society name

Account number/  
roll number  Branch sort code

**Part 3h – Recycling of lump sums**

1. Because of the lump sum in Part 3a or 3b, will the future payments made by you, your employer and any third party on your behalf, to this plan or to any other pension plan, be significantly greater than they otherwise would be? Yes  No

2. Were the payments already made by you, your employer and any third party on your behalf, to this plan or to any other pension plan, significantly greater than they otherwise would have been if you had not been expecting to receive the lump sum in Part 3a or 3b? Yes  No

If you are recycling you must tell us within 30 days.

To be ‘significantly greater’ the total increase in the payments must be more than 30% of the lump sum.

If you answer ‘Yes’ to either question, please read leaflet GEN449 – ‘Recycling of lump sums’ which explains what recycling means and what the tax consequences are.

**Part 3i – Lifetime Allowance checks**

1. Have you ever taken any tax-free lump sum or pension from another pension scheme or policy? Yes  No

2. Are you about to take retirement benefits from another pension scheme or policy? Yes  No

3. If you have answered ‘Yes’ to either question 1 or 2 have you exceeded your Lifetime Allowance? Yes  No

4. If you have answered no to question 3, will the retirement benefits in this form exceed the Lifetime Allowance? Yes  No

If you answer ‘Yes’ to any of these questions, we may contact you for more details.

Please refer to ‘Information about tax relief, limits and your pension’ (GEN658) for more information on the Lifetime Allowance.
